**Resignation in the divin Will is oil which salves and mitigates our pains  
and the Pains of Jesus at the same time.**

This morning, finding myself outside of myself, I saw my sweet Jesus suffering very much.  
And I prayed Him to share His pains with me.

And He said to me:

“You too suffer.

Rather, I will take your place and you will do for Me the office of a nurse.”

So it seemed that Jesus placed Himself in my bed  
And I, beside Him, began to check his Head,  
- removing the thorns which were driven into it one by one.  
Then I moved on to his Body and I visited all his Wounds.  
I dried up the Blood and I kissed the Wounds

But I had nothing with which to salve them so as to mitigate the spasms.  
Then I saw that oil was coming out from me.  
I took it and I salved the wounds of Jesus, but with some concern,  
- as I did not understand what the meaning was of that oil coming out from me.

But blessed Jesus made me understand  
that *resignation to the Divine Will is oil* which,  
- *while salving and mitigating our pains,*  
- *salves and mitigates the spasm of the Wounds of Jesus at the same time.*

Then, after performing this office for my dear Jesus for quite some time,  
He disappeared and I came back into myself.
