

**When I instituted the H. Eucharist, I gave the Holy Communion also to Myself.  
I received Myself in the Will of the Father. I embraced all and I have given Communion to all.**

This morning, after H. Communion, I felt that my lovable Jesus absorbed me completely in His Will in a special way. And I swam inside of It. But who can say what I felt? I have no words to express myself.

**Then Jesus told me:**

“My daughter, when the soul is in my Will, she lives a Divine Life on earth.

I like so much to see

- that the soul enters into my Will and lives a Divine Life in It!

- a soul who repeats in my Will what my Humanity did in It!

***When I instituted the H.Eucharist, I gave the Holy Communion also to Myself:***

*I received Myself in the Will of the Father.*

I did not only repair all sacrileges, everything.

But in the Divine Will, *I embraced all* .

And in the Immensity and Omniscience of the Divine Will, *I have given communion to all.*

I saw that many would not receive the Sacrament of the Eucharist .

This would offend the Father because these people would refuse to receive my Life.

And I gave the Father satisfaction and glory as if all would receive Communion.

***You too – receive Communion in my Will, and repeat what I did.***

In this way you will not only repair everything,

- but you will give Me to all as I intended to give Myself to all,

- and you will give Me the glory as if all had received Communion.

My Heart feels moved when I see that,

- unable to give Me anything from her own which is worthy of Me,  
the creature takes My things.

She makes them her own and she imitates the way I did them.

To please Me, she gives them to Me.

***And I, in my delight, keep repeating:***

***“Bravo, my daughter, you have done exactly what I did.”***
