

**Jesus Christ came to join God and man once again.**

This morning, I was in a sea of worries and of tears  
- because of the total abandonment of my highest Good .  
Feeling consumed by the pain, I felt my mind being estranged.

And I saw

- blessed Jesus sustaining my forehead with His hand,  
- and something like a light which contained many words of truths inside.

I can barely remember this. – it is:

***When our humanity untied the bond of obedience***

- which God had placed between Himself and the creature,  
- a bond which, alone, united God and man,  
***it became dispersed.***

And Jesus Christ,

- taking on human nature and  
- making Himself our head,  
came to reunite the dispersed humanity

***And with His obedience to the Volition of the Father,  
- He came to join God and man once again.***

But this indissoluble union is strengthened further  
- according to our obedience to the Divine Volition.”

After this, I no longer saw my dear Jesus  
And that light withdrew together with Him.
