

**The creation of the Virgin says clearly what Our Divine Will means and what It can do.
We made Her Queen immediately. It was Our Will that We were crowning in Her.**

I was doing my round in the Divine Will. And I arrived at that point when the Queen of Heaven was created, and the Divinity laid down the garments of Justice.

And as though putting on the garments of feast,

- It renewed the solemn Act of the beginning of Creation,
calling to life the noble creature who, by living in the Divine Will,
- the only purpose for which God had created man,
would not go out of the house of Her Father.

Because only our human will puts us outside of God, of His dwelling, outside of His goods, of His sanctity, of His light.

In creating the Holy Virgin, God resumed the feasts of Creation, His sweet smiles, His holy conversations with the creature.

And He overflowed with Love so much, that immediately

He made Her Queen of the whole universe, commanding everything and everyone

- to honor Her as such, and,
- prostrate at Her venerable feet, to recognize Her and sing Her praises as Queen.

So, according to my usual way, I was singing the praises of my Mother Queen, hailing Her, in the name of all,

- **Queen of Heaven and earth, Queen of hearts, and**
- **Celestial Empress who rules over everything, and even in Her Creator.**

‘O please!’ I was saying to Her, ‘with your universal empire rule over all,

- so that the human will may surrender the rights to the Divine Will.

Rule over Our God, that the Divine Fiat may descend into the hearts and reign in them on earth as It does in Heaven.’

Now, while I was doing this, my sweet Jesus moved in my interior and united Himself with me in singing the praises of the Celestial Mama as Queen.

And clasping me to Himself, **He told me**:

“My daughter, how beautiful is the living in my Divine Will.

It keeps, as though present, everything that has been done by God.

And the creature finds everything that her Creator has done,

- and takes part in His works, and
- can render to her Creator the honors, the love, the glory of that Act.

It can be said that one who lives in Our Divine Will places Us in the condition

- of renewing Our most beautiful works,
- and makes herself the re-newer of Our feasts.

The creation of the Virgin says clearly what Our Divine Will means and what It can do.

As soon as It took possession of Her virgin Heart, We did not wait even one minute,

- but immediately We made Her Queen. ***It was Our Will that We were crowning in Her.***

Because it was not befitting for a creature who possessed Our Will not to have the crown of Queen and the scepter of command. Our Divine Will wants to hold nothing back.

It wants to give everything to one who lets It form Its Kingdom in her soul.”(...)
