

My Will will be done on earth as it is in Heaven.

And making use of my inseparable Love and Mercy,

I may answer my own Prayer, united to that of the whole Church,

- ***making man come back to his origin, to the purpose for which I created him***
- ***that my Will be done on earth as It is in Heaven.***

This is precisely the living in my Will.

And everything I keep manifesting to you pushes you to this, confirms you in this.

This is the great foundation I keep forming in your soul.

And in order to do this, I keep centralizing in you all the graces, past, present and future,

- which I have given to all generations.

Even more, I double them, I multiply them.

My Will is the greatest, the holiest, the noblest thing,

- ***which has no beginning and no end.***

So, In order to place It in one creature,

it is right and decorous that I centralize in her

- all possible goods, innumerable graces, divine purity and nobility,

so that this Will of Mine may have the same cortege It has in Heaven.

It is the same Will that operated in Redemption, and wanted to make use of a Virgin.

What portents and prodigies of graces did It not work in Her?

My Will is great, It contains all goods. And in operating, It acts with magnanimity.

And if it is about doing works and doing good for all humanity,

- then It puts all of Its goods at stake.

Now It wants to make use of another virgin

- in order to centralize Its Will in her,

- and to begin to make known that Its Will must be done on earth as It is in Heaven.

In Redemption It wanted to come

- to save lost man, to satisfy for his sins - which man had no power to do -

- and to give him refuge and many other goods which Redemption contains.

Now, wanting to display even more Love than in Redemption Itself

- by making my Will be done on earth as It is in Heaven,

my Will comes to give man

- ***his state of origin, his nobility, the purpose for which he was created.***

It comes to open the current between Itself and the human wil.

In such a way that, absorbed by this Divine Will, being dominated by It,

- the human will will give life to the Divine Will within itself,

- and my Will will reign on earth as It does in Heaven.”
