

the Mother Queen speaks to Luisa about the Divine Justice

Finding myself in my usual state, I felt out of my body
And I found the Mother Queen.
As soon as she saw me, she began to talk to me about Justice.

She told me that Justice was about to strike with all its fury against the world.
She told me many things about it, but I don't have the words to express them.
Meanwhile, I saw Heaven all filled with sword points directed against the world.

She added:

"My daughter, so many times
- you have disarmed the Divine Justice and
- you were happy to receive yourself the blows of Justice.

Now that you see her at the height of her fury, you must not be discouraged:
be courageous!
With your soul filled with a holy Strength
- enter into Justice itself, and disarm it.
Don't be afraid of swords, fire and anything else you may encounter.

In order to reach your goal,
if you see yourself wounded, beaten, scalded or rejected, do not turn back.

Let this be a stimulus for you to go forward.
"Do you see? For this purpose I have come to your aid.
I have brought you a garment through which your soul will acquire
- the Courage and - the Strength to fear nothing."

Having said this, from the inside of her cloak, she took out a garment woven of gold
with which she clothed my soul.

Then she gave me her Son, saying:
"Behold, as a proof of my love,

I give you the custody of my dearest Son,
so that you may protect Him, love Him and please Him in everything.

Seek to replace me for Him, so that,
- finding in you His contentment,
- the discontent that the other creatures give Him
cannot make Him suffer so much."

Who could describe how happy and strengthened I was,
- dressed in this garment and
- with this lovely Baby in my arms?

I certainly could not desire a greater happiness.
Then the Mother Queen disappeared and I remained with my sweet Jesus. (...)
