

**All Creation celebrated the Conception of the Sovereign Queen.**

I was thinking: 'Why did all Creation exult with joy and celebrate so much the Immaculate Queen in Her immaculate conception?'

And my always **lovable Jesus**, moving in my interior, **told me**:

"My daughter, do you want to know why?

Because the Divine Will had the beginning of Its Life in the celestial tiny little girl, and therefore the beginning of all goods in all creatures.

There is no good which, in my Divine Will, does not begin, descend and ascend into its Source.

This celestial little girl, from Her very Immaculate Conception, began Her life in the Divine Fiat. She was from the human stock

With my Will She acquired the Divine Life, and  
with her humanity She possessed the human origin.

***So, She had the power to unite the Divine and the human***

She gave to God what man had not given Him and had denied to Him, which was his Will. And She gave men the right to be able to ascend to the embraces of Her Creator.

With the power of Our Fiat which She had in Her power, ***She bound God and men.***

So, all Creation - Heaven and earth, and even hell  
felt in the immaculate conception of this Virgin little girl, just newly born in the womb of Her mama,  
***the strength of the Order which She was placing in all Creation.***

With my Will,

- She associated Herself with all as their sister,
- She embraced all,
- She loved everything and everyone.

And all longed for Her, loved Her,

and all felt honored to adore the Divine Will in this privileged creature.

***"How could all Creation not celebrate?"***

In fact, up until then, man had been the disorder among all created things.

No one had had the courage, the heroism, to say to his Creator:

*'I do not want to know my will - I give it to You as gift. I want your Divine Will alone as life.'*

But this Holy Virgin gave Her will in order to live of the Divine.

Therefore all Creation felt **the happiness of the Order** which, through Her, was given back to It.

And the heavens, the sun, the sea and everyone, competed among themselves  
to honor the One who, by possessing my Fiat, **gave the kiss of the Order** to all created things.

And my Divine Volition

- placed in Her hand the ***scepter of Divine Queen***, and
- surrounded Her forehead with ***the Crown of Command***,  
constituting Her **Empress of the whole universe.**
