

**The immensity of my Will, enclosing all creatures, past, present and future,
conceived all lives of creatures in It, to make all be reborn.**

...But this is nothing yet.

Do you know where all my Love, all my Power and Wisdom blazed forth?

As soon as

the Divine Power formed this tiny little Humanity,

- so little as to be comparable to the size of a hazelnut,

but with all the members proportioned and formed,

- *and the Word was conceived in It,*

***the immensity of my Will, enclosing all creatures, past, present and future,
- conceived all lives of creatures in It.***

And as my Humanity grew, so did they grow within Me.

So, even though I appeared to be alone, when observed under the microscope of my Will,
all creatures conceived in Me could be seen.

It happened with Me as when one sees crystal clear waters:

- even though they appear to be clear, when they are observed under a microscope,
how many microbes cannot be seen?

My Conception was such and so great that the wheel of eternity remained stunned and
ecstatic in seeing the innumerable excesses of my Love, and all Prodigies united together.

The whole mass of the Universe was shaken in seeing

the One who gives life to everything

- shrink, reduce Himself,

- enclose everything,

in order to do - what?

To take the lives of all, and make all be reborn.
