### Prodigy of the Conception of the Virgin.

After this, my little mind wandered in the acts done by the Divine Will, and passing from one act to the other I arrived at the ***Conception of the Most Holy Virgin.***

Oh God! the Heavens remain mute before this act completed by the Divine Will  
The Angels seem to stutter and for how much they say,  
it seems that they don't know everything of this prodigy so great. Ah! only God can speak of it, because (he is the) Author of the prodigy of that which he worked in this Conception.

And while I remained stupefied, my amiable ***Jesus surprising me said to me:***

"My daughter, ***the Conception of the Immaculate Virgin was a new act of our Will,***  
that is in time, new in the way, new in the time, new in the grace.

In Her was renewed all the Creation.

In our omni-clairvoyance and immensity, we called all creatures, all their good acts present, past and future as if they might be one alone.

So that over everyone and over everything this Conception might be formed, in order  
-to give the right to everyone and  
-not give the right to them with words, but with deeds  
over everything.

When our Will does an act that must serve the universal good of everyone,  
no one is put aside.

And making use of his omnipotence He gathers creatures and the acts of them all together,  
-outside of sin, because evil doesn't enter into our acts.

And he completes the act that He wants to do.

You see your acts also contributed. You put forth your part.

*Therefore with right you are her daughter and the Queen Virgin with right is your Mama.*

***"But do you know why we created this Holy Creature this way?"***

It was In order

- to renew all the Creation,
- to love her with new love and
- to put to security everyone and everything beneath the wings  
of this creature and Celestial Mother.

We don't ever do our works isolated.

But we always start from our unique and single act.

While it is unique, it unites everything and does everything as if they might be one alone.

It is this our omnipotence, our creative strength

***-to do everything in one single act, to find everything and to do good to everyone."***
