

Day 9 - Novena-Prayer for the Feast of the Immaculate Conception

The Immaculate Conception is the rebirth of everyone and everything.

BOH - Volume 36- December 8, 1938

“My blessed daughter , ***today is the Feast of the Immaculate Conception.***
It is the most beautiful feast, the greatest one, for Us and for Heaven and earth.

We called this celestial creature from the nothing.
In this Act, We worked such prodigies and wonders that heavens and earth remained overwhelmed by it.
We called everyone and no one was put aside
So everyone might be reborn together with her.
It was the rebirth of everyone and of all.

Our divine being overflowed so much .
So, in the act of her Conception, We put at her disposition,
- seas of Love, of Sanctity, of Light ,
with which she could love everyone, make everyone holy, and give Light to everyone.

The celestial tiny one felt that an innumerable amount of people was reborn in her little Heart.

And what did our paternal goodness do?

First we Gave her to ourselves, so that
- We might enjoy and might court her, and she might enjoy and court us.
And then we gave her to every single creature.

Oh, how she loved Us and loved everyone with such intensity and fullness
- that there is no point that she didn't make her love arise!

All the creation, the sun, the wind, the sea, overflow with the Love of this holy creature,
They also felt reborn with her to new glory.
More so that they had the great glory of possessing their Queen.

So much so that when she prays to us for the good of her people,
- with a Love which is not given to resist,
she says to Us:

*‘Adorable Majesty, remember what You gave me.
Already I am yours and I am theirs.
Hence with right You must grant me, what I ask for.’”*
