

1. May your Kingdom come on earth as it is in Heaven

The Book of Heaven - V.23 – 1928 -febr 5 – V. 24 –1928 - May 26

Luisa Piccarreta

My daughter,
as Adam sinned,
God made him the promise of the future Redeemer.
Centuries passed, but I kept my promise.
And the generations had the good of the Redemption.

I came from Heaven to form the Kingdom of the Redemption.
Before departing to Heaven, I made another more solemn promise
of **the Kingdom of my Will**. And this was in **the “Our Father”**.

And in order to give it more value
- and to obtain it more quickly,

I made this formal promise in the solemnity of my prayer,
Praying the Father that He might let come **his Kingdom**,
This **is the Reign of the Divine Will on earth as it is in Heaven**

I put myself at the head of this prayer. I knew that such was also his Will.
And that prayed by me, He would not have denied me anything.
More so that with his own Will,

I prayed and asked something which my Father Himself wanted.
I formed this prayer before my Celestial Father,

Sure that He would grant me the Kingdom of His Will upon the earth,
I taught it to my Apostles, so that they might teach it to the whole world,

So that one might be the cry of everyone:
“Your Will be done, on earth as it is in Heaven.”

A more certain and solemn Promise I could not make.
For us, all centuries are as a single point.
But **our words are facts and completed acts**.

My prayer to the Celestial Father:
“May your kingdom come, may your Will be done on earth as it is in Heaven”,
didn't mean that with my coming upon the earth,
the kingdom of my Will would be established in the midst of creatures.

Otherwise I would have said:
“My Father, may our Kingdom that I have established upon the earth
be confirmed and may our Will reign and dominate”.

By forming, Myself, the 'Our Father', I placed Myself at the head of it and I took on the commitment to give this Kingdom..

And by teaching it to my apostles, I placed order in the creatures, so that they might obtain a good so great.

So, the whole Church is praying.

There is not one soul who belongs to Her that does not recite **the 'Our Father'**.

And even though many recite it without interest in the coming of this Kingdom, - that the Divine Will be done on earth as It is in Heaven

When they recite it my interest is renewed and I hear my own prayer asking:
'May your Kingdom come, so that your Will be done on earth as It is in Heaven'.

If the creature would be really wanting and longing for my Kingdom,
-she would take part in my own interest, and
-her will would be fused in Mine for the same purpose.

However, my Will and interest always run in each 'Our Father'
You see **the divine order: all ask for the same thing.**

There are some who want to do my Will, -others who do It. All this is braided together, and.... **they knock at the doors of my Divine Will.** They repeat the knocking, - some knock softly, -some more strongly. However, there is always someone who knocks and asks that the doors be opened,... so that my Will may descend to reign upon earth..

Since **everything is established and ordered by the Divinity,**
It waits for the one who must give the strongest knock which, forcing the doors with invincible strength ... the very strength of my Divine Will will open wide the doors, and with her sweet chains of love, will bind the Eternal Will ...To make It come and reign in the midst of the creatures.

And just as the Holy Virgin put an end to the night hours of the patriarchs and prophets, and formed the dawn to make the Sun of the Eternal Word rise,
so will this one form the dawn to make rise the Sun of the **"Fiat Voluntas Tua"(your Will be done)** on earth as It is in Heaven.

Do you think that my Will, which has made Itself known with so much love ...and has manifested so much interest in wanting to come and reign upon earth, pouring Its sorrow out with you, ...has done this without anyone praying to It?

Ah, no! no!

The knocks of my Church have been continuous, and I Myself was knocking in those knocks.

But I used them to knock at the door of the Divine Fiat which, tired of hearing them knock at **Its divine doors,** has used you to knock even more strongly.

And opening the door to you, It made you share in Its knowledges.

For as many truths as It made known to you, so many means has It given you to form the loving chains with which to be bound to come to reign upon earth.

And all the times It calls you to live in Its Divine Will, making you know -Its qualities, -Its power, -Its joys, -Its immense riches!. They are as many pledges It gives you, which assure Its coming upon earth...

In fact, there is this prerogative in Us: **if We make a good of Ours, a truth, a knowledge that belongs to Us, known, it is because We want to give it to the creature as gift.**

See then,- how many gifts my Will has given you, -how many knowledges about Itself It has made known to you! They are so many, that you yourself cannot count them."

I said: **'Come'. This meant that it must come.**

And creatures must wait for it with that certainty that they waited for the future Redeemer Because there is the Divine Will bound and contracted in those words of the **"Our Father"**. And when **He binds himself, it is more certain than promises.**
