

**The living in my Will is not yet known. True living in the Supreme Will is precisely this:
Jesus must find everything and everyone in the depth of the soul.**

“My daughter, the true living in the Supreme Will is precisely this:

I must find everything and everyone in the depth of the soul. everything that my Will has issued in Creation for the good of creatures must be bound in the soul with her love.

By living in my Will and by her requital of love, she is already bound to and in possession of all that my Will has done and will do. And she loves as my Will loves and can love.

So, given all this, by her living truly in It and having bound everything to herself, I find in the soul the starry heavens, the refulgent sun, the vastness of the seas, the prairies of flowers – I find everything in her.

Therefore, is it not right that the soul, hopping from one thing to another, over all that is mine and hers, recognize it. And that playing upon all created things, she impress on each one of them her kiss and her little ‘*I love You*’ for the One who has created so many things to give them to creatures as gifts. Displaying to man, by this, a variety of love for as many things as He created, and how He loves that man be happy, giving him not only what is necessary, but also the surplus?

But this is not all. ***Not only must I find the whole Creation***

But the true living in my Will binds everyone.

And therefore I must find in the soul, as though in act,

- ***Adam holy***, as he came out of my creative hands, as well as

- ***Adam guilty***, humiliated and crying, so that she may bind herself to him in the state of sanctity, and taking part in his innocent and holy acts, she may give Me glory and make the whole Creation smile again. And sharing in his tears, with him she may long for that Fiat rejected, which had caused so much ruin.

I must find in her the prophets, the patriarchs, the holy fathers, with all their acts.

And if those longed for the Redeemer, you will long for my Supreme Fiat,

- as the triumph and fulfillment of their sighs.

I want to find ***my inseparable Mama***, with all Her acts, in which my Will operated so many portents, having full dominion. ***I want to find all of Myself and all my Acts.***

In sum, I want to find all my things, all that belongs to Me, all that my Supreme Will has done and will do, because these are all things which are inseparable from Me

And it is just and necessary that they become inseparable from one who lives in my Will.

So, if I do not find everything, it cannot be said that she lives completely in my Will.

And in looking at her, I do not find in her all of my things, but I see them scattered outside of the soul, and I cannot receive her requital of love for all that belongs to Me.

Have I perhaps not created the creature so that she be a little world and a little god?

This is why I always say to you that the living in my Will is not yet known.

And I keep teaching you now one thing, now another, and I expand your capacity so that all my things and all the good which my Will has issued, may enter into you.

I want to hear you repeat to Me your requital of love in everything that belongs to Me.

I do not tolerate for one who lives in my Will not to know all of my things, and not to love them and possess them. Otherwise, what would be the great prodigy of living in my Will?”
