

The Kingdom of the Divine Will- The Kingdom of the Queen of Heaven.

“My children, my children, come to your Mama, love me as Mother as I love you as children.”

“Daughter of my Maternal Heart, the Kingdom of the Divine Will will be my Kingdom. The Sacrosanct Trinity has entrusted it to me,
- as He entrusted the Eternal Word to me when He descended from Heaven on earth.
Thus He entrusted to me His and my Kingdom.

Therefore my sighs are ardent, my prayers incessant
I don't do anything else than assault the Most Holy Trinity
- with my love, with the rights of Queen and of Mother that They gave me.
I ask that which They entrusted to me comes to the light, forms his life,
so that my Kingdom triumphs upon the face of the earth.

You must know that my desire is so big that it burns me.
I feel as if I have no glory, while I have so much Glory that Heavens and earth are filled,
if I don't see this Kingdom fully formed,
- the Kingdom of the Divine Will in the midst of my children.

Because, each one of these children that will live in it, will give me so much glory,
- as to double the glory that I possess.
Therefore seeing myself deprived, I feel as if I might not have the glory of Queen
and the love of Mother from my children,

Therefore in my Heart I always call and go repeating:
“my children, my children, come to your Mama, love me as Mother as I love you as children.
*If you won't live with that same Will that I lived, you can't give me the love of true children,
nor can my immense love for you be known.”*

“You must know
- that my love is so immense and
- that I wish with ardent desires that this Kingdom exists upon the earth,
- that I descend from Heaven, turn through souls
in order to see who remains more disposed to live of Divine Volition.

I act for them as a spy. And ***when I see them disposed I enter into their hearts.***
And I form my life in them, as preparation, honor and decorum of that Fiat
- that will take possession and will form His Life in them.

Therefore I will be inseparable from them.
I will put my Life, my Love, my Virtues, my Sorrows, at their disposition,
- as a wall of insurmountable fortitude,
so that they can find in their Mother
- that which is needed in order to live in this Kingdom so holy.

And then my Feast will be complete, my Love will rest in my children.
My Maternity will find one who loves me as child.
I will give surprising graces and I will put all Heaven and earth in feast
I will be as a Queen lavishing unheard of graces.

Therefore my daughter, you will remain united with your Mama.
Pray and yearn with me the Kingdom of the Divine Will.”
