

**At that point of the earth where there is the fortunate creature, one must see Heaven, not earth.
“The great gift of making my Will known to you and how It wants to form Its Kingdom in you.”**

Then, I was following the acts of the Divine Will, accompanying them with my *I love You.*

And I could comprehend the great difference in greatness and magnitude

- of the Works of the Divine Fiat and

- of my little '*I love You*'.

Oh! how small I felt, and truly just, newly born before that Fiat

- which can do everything and embraces everything.

And my lovable Jesus, clasping me in His arms, *told me:*

“My daughter, one who lives In my Divine Will is *my rich bank upon earth.*”

And as you say your '*I love You*', I invest it with my own.

And from small it becomes great.

It diffuses in the infinite, in such a way that the riches of my Love become immeasurable.

And I deposit them in the bank of your soul.

And as you continue your acts, I invest them with Mine.

And I deposit them in your bank so as to have My divine Bank upon earth.

Therefore, your little acts done in my Divine Volition serve Me in order

to give Me something to do, to make Our divine qualities, which are infinite,

- flow in your little acts, which are finite.

We mix them together and make of them as many Acts of Ours.

And we deposite them in the bank of your soul. So Our Bank finds in you Its Heaven.

Don't you know that *one who must live in Our Divine Fiat must be a nimbus of Heaven?*

Such that, *as it lowers itself upon earth* ,

- but so much as to eliminate any distance

at that point of the earth where there is the fortunate creature,

one must see Heaven, not earth.

Nor would *my Divine Will be without Its Heaven.* It Itself would form It for Itself.

And the drapes of Heaven would lower themselves to pay homage to that Fiat

- from which they recognize their existence.

Therefore, all the Blessed remain stupefied in seeing a nimbus of Heaven upon earth.

But their stupefaction ceases immediately, when they see that

- that Divine Will which forms their Heaven and all their happiness

is present as reigning in that creature, precisely at that point

where they see that the drapes of Heaven, lowering themselves,

- surround that creature to sing the praises of my Supreme Fiat.

“Therefore, be attentive, my daughter. If I tell you this, it is to let you know

- *the great gift of making my Will known to you, and how It wants to form Its Kingdom in you, so that you thank Me and be grateful.*
