

**The primary purpose of the coming of Jesus upon earth was  
that the Divine Will might triumph over the human will.**

It is true that I came upon earth to redeem man.

But my primary purpose was that the Divine Will might triumph over the human will

- by according these two wills together and making them one,
- taking the human will into that Will from which it had gone out.

This was the main offense that my Celestial Father received from man.

And I was to compensate Him for it, otherwise I would not give Him full satisfaction.

But ***in order to obtain the first purpose, first I had to issue the second*** that is,

- *to save him, - to give him my hand since he had fallen,*
- *to wash him of the mud in which he was lying.*

How could I say: ‘Come to live in my Will’,

if he was horrid to look at, and was under the slavery of the infernal enemy?

Therefore, ***after having obtained the second purpose, I want to secure the first one  
that my Will be done on earth as It is in Heaven,***

- and that man, who had gone out of my Will, *enter into My Will once again.*

And in order to obtain this, I give to this first creature

- all my merits, all my works and steps,
  - my palpitating Heart, my wounds, my Blood, my whole Humanity,
- to dispose her, to prepare her, to let her enter into my Will.

In fact, **first** *she must take the complete fruit of my Redemption.*

**And then,** as though in triumph, *enter the possession of the immense sea of my Supreme Will.*

I do not want her to enter as a stranger, but as a daughter, - not as poor, but as rich;

- not as ugly, but as beautiful, ***as if she were another Me.***

Therefore, ***I want to centralize my whole Life in you.***”

And while He was saying this,

it was as *though many seas were coming out of Him,* which poured upon me.

And I remained inside of them, sunken.

And at the same time, a Sun was beating down with Its Light,

- receiving *the complete fruit of Redemption*

in order to be able *to give the complete fruit of Its Will* to the creature.

It was *the Sun of the Eternal Volition,* which celebrated the entrance of the human will into Its Own.

**And Jesus:** “This Divine Will of Mine grew within my Humanity like a flower,  
which *I transplanted from Heaven into the true Eden of my terrestrial Humanity.*

It germinated in my Blood,

it sprouted from my Wounds, to make of It the greatest Gift to the creature.

Don’t you want to receive it?”

And I: ‘Yes.’ **And He:** “***I want to transplant it into you . Love it, and know how to keep It.***”
