

**Day 12. The Queen of Heaven leaves the Cradle and takes Her first Steps.
With Her childlike Acts, she calls God to descend upon Earth.
And she calls the Creatures to live in the Divine Will.**

...I departed from Heaven only to do the Will of the Eternal One.

And even though I had my Heaven within Me – which was the Divine Will –
-and I was inseparable from my Creator, yet I enjoyed being in the Celestial Fatherland.

More so since, the Divine Will being in Me, I felt my rights of daughter to be with Them,
-to let Myself be rocked as a tiny little one in their paternal arms,
- to participate in all the Joys and Happiness, Riches and Sanctity, which They possessed,
for as much as I could take of them.

I filled Myself so much that I was unable to contain more. And the Supreme Being enjoyed in seeing that, without fear, but rather, with highest love, I filled Myself with their Goods.

I was not surprised that They would let Me take whatever I wanted. I was their daughter .
One was the Will which animated Us. Whatever They wanted, I wanted as well.
So, I felt that the properties of my Celestial Father were mine.

The only difference is that I was small, and could not embrace or take all their Goods.
As many as I would take, so many were left. I had no capacity to contain them.
Because I was always a creature.

While the Divinity was great - immense, and in one single Act It embraced everything.

But, in spite of this, at the moment They let Me understand that I was to deprive Myself of their celestial joys and of the chaste embraces which We gave each other,
I departed from Heaven without hesitation, and returned to the midst of my dear parents.

They loved Me very much. I was all lovable, striking, cheerful, peaceful, and filled with childlike grace, such as to captivate their affection for Me.

They were all attentive over Me - I was their jewel.

When they took Me in their arms, they felt unusual things, and a divine Life palpitating in Me.

Now, child of my Heart, you must know that as my life down here began,
the Divine Will extended Its Kingdom in all my acts.

So, my prayers, my words, my steps, the food, the sleep I took, the little tasks with which I helped my mother, were *animated by the Divine Will.*

And since I have always carried you in my Heart, I called you as my child in all my acts.
I called your acts to be together with mine, so that also in your acts, -even indifferent ones,
the Kingdom of the Divine Will might extend.

Listen to how much I have loved you:

If I prayed, I called your prayer into mine, so that yours and mine might receive the same value and power – the value and the power of a Divine Will.

If I spoke, I called your word. If I walked, I called your steps.

And if I did the little human actions, indispensable to the human nature

– such as taking the water, sweeping, helping my mother by handing the wood to her in order to start the fire, and many other similar things – *I called these same acts of yours,*

- that they might receive the value of a Divine Will, and so

- that, both in mine and in yours, Its Kingdom might extend.

And while calling you in each of my acts, I called the Divine Word to descend upon earth.

Oh! how much I have loved you, my child. ***I wanted your acts within mine in order to render you happy and to let you reign together with Me.***

And - oh! how many times I called you and your acts.

But, to my greatest sorrow, mine remained isolated.

And I saw yours as though lost within your human will,

- forming – horrible to say – the kingdom, not divine, but human:

the kingdom of passions, and the kingdom of sin, of unhappinesses and misfortune.

Your Mama cried over your misfortune.

And for each act of human will that you do, as I know the unhappy kingdom to which they lead you, my tears are still pouring, to make you comprehend the great evil that you do.

Therefore, *listen to your Mama:*

if you do the Divine Will, joys, happinesses, will be given to you by right.

Everything will be in common with your Creator.

Weaknesses, miseries, will be banished from you.

And then you will be the dearest of my children.

I will keep you in my same Kingdom, to let you live always of Divine Will.
