

**Day 16. The Queen of Heaven continues Her Life in the Temple.  
She hastens the coming of the Divine Word on Earth.**

I continued my life in the Temple, but Heaven was not closed for Me  
I could go there as many times as I wanted - I had free passage to ascend and descend.  
In Heaven I had my Divine Family, and I burned and longed to be with Them.  
The very Divinity awaited Me with great love in order to converse with Me, to be happy and to  
make Me more happy, more beautiful, more dear in Their eyes.

After all, They had not created Me to keep Me far away - no, no.  
They wanted to enjoy Me as Their daughter.  
They wanted to hear Me - my words, animated by the Fiat, had the power to put peace  
between God and creatures.  
They loved to be won by Their little daughter, and to hear Me repeat to Them:  
***“Descend – let the Word descend upon earth.”***

I can say that the very Divinity would call Me. And I would run – I would fly into Their midst.  
Since I had never done my human will, my presence required Them of the love and the  
glory of the great work of all Creation.  
And therefore They entrusted to Me the secret of the history of mankind.  
*And I prayed and prayed again for peace to come between God and man.*

Now, my child, you must know ***that the human will alone closed Heaven.***  
And therefore it was not given to man to penetrate into those celestial regions,  
or to have a familiar relationship with his Creator.  
On the contrary, the human will had cast him away from the One who had created him.

As soon as man withdrew from the Divine Will, he became fearful, timid.  
He lost the dominion of himself and of the whole Creation.

All the elements, because they were dominated by the Fiat, had remained superior to him and  
could do harm to him. Man was afraid of everything

*And do you think it is trivial, my child, that the one who had been created as king, dominator  
of everything, reached the point of being afraid of the One who had created him?*

It is strange, my child, and I would say almost against nature, that a child would be afraid of  
his father. While it is according to nature that, *as one generates, love and trust between  
father and child are also generated.*

This can be called the primary inheritance that is due to the child, and the primary right that is  
due to the father. ***So, by doing his will, Adam lost the inheritance of his Father.  
He lost his Kingdom, and rendered himself the laughing stock of all created things.***

My child, *listen to your Mother*, and ***ponder well the great evil of the human will.  
It removes the eyes of the soul and makes her become blind,***  
-in such a way that everything is darkness and fear for the poor creature.

Therefore, place your hand upon your heart and swear to your Mama that you would rather  
die than do your will.

***I, by never doing my will, had no fear of my Creator.***

And *how could I be afraid if He loved Me so much?*

And the Kingdom extended so much within Me, that with my acts I kept forming the full day to make the new Sun of the Eternal Word rise upon earth.

And as I saw that the day was being formed, *I increased my supplications to obtain the longed-for day of peace between Heaven and earth.*
