

**Day Four - "The Supreme Fiat took the fourth step in my soul. It asked me for my will as proof and waited for my Fiat and my acceptance of this test"**

Now, my child, know that as soon as I was conceived and put the Divinity in feast, Heaven and earth made feast for Me, and recognized Me as their Queen.

I remained so identified with my Creator, that I felt Myself as the owner in the divine dominions. I did not know what separation from my Creator was

That same Divine Will which reigned in Me, reigned in Them, and rendered Us inseparable.

And while everything was smile and feast between Me and Them, I could see that They could not trust me if They did not receive a proof.

My child, the test is the flag that says victory

The test places all the goods that God wants to give us in safekeeping

The test matures and disposes the soul for gains of great conquests.

And I too saw the necessity of this test, because I wanted to give proof to my Creator, -in exchange for the so many seas of graces He had given Me, with *an act of my faithfulness which would cost Me the sacrifice of my whole life.*

How beautiful it is to be able to say: "**You have loved me, I have loved You**".

But without the test, it can never be said.

The Divine Fiat made known to Me the creation of man, innocent and holy.

For him too everything was happiness

He had command over all Creation, and all the elements were obedient to his wishes.

Since the Divine Will was reigning in Adam, by virtue of It, he too was inseparable from his Creator. After the so many goods that God had given him, in order to receive one act of faithfulness in Adam, *He commanded him not to touch one fruit only, of the many which were there in the terrestrial Eden.*

This was the proof that God wanted in order to confirm his innocence, sanctity and happiness, and to give him the right of command over the whole of Creation.

***But Adam was not faithful in the test. And because he was not faithful, God could not trust him.*** And so he lost command, innocence and happiness

*And it can be said that he turned the work of Creation upside down.*

In knowing the grave evils of the human will in Adam and in all his progeny, I, your Celestial Mother, though newly conceived, cried bitterly and with hot tears over fallen man.

And the Divine Will, in seeing Me cry, asked Me, as proof, to surrender my human will to It.

***The Divine Fiat said to Me:***

*"I do not ask of you a fruit, as with Adam; no, no – but I ask you for your will.*

*You will keep it as if you did not have it, under the empire of my Divine Will,*

*- which will be your life, and will feel confident to make of you whatever It wants."*

So, the Supreme Fiat took the fourth step in my soul, asking Me for my will as proof, waiting for my Fiat, and for my acceptance of such a test.
