

The Virgin was the the seed of the 'Fiat Voluntas Tua on earth as It is in Heaven'.

(...) "My daughter,
you must know that a simple creature broke the relations which existed between the Divine Will and the creature. This split destroyed the plans which God had in the creation of man.
Now, another simple creature, though endowed with many graces and privileges,
- but still a mere creature - the Virgin, Queen of all -
was given the office
- to bind again - to cement, and
- to place Herself in relations with the Will of Her Creator,
in order to repair the first split of that first creature

The first was a woman, the second was a woman.
She was precisely the one who, by binding Her will to Ours,
gave back to Us the honor, the decorum, the subjection, the rights of Creation.

Was it not one creature alone *that received the beginning of evil*
and formed the seed of the ruin of all generations?

In the same way, ***this Celestial Creature alone received the beginning of good***
By placing Herself in relation with the Will of Her Creator,
- She formed the seed of the Eternal Fiat,
which was to be the salvation, the sanctity, the well-being of all.

Now, as this Celestial Creature kept growing, so did the Seed of the Eternal Fiat grow in Her.
And as this seed became a tree,
the Eternal Word felt captured to rest in the shade of His Eternal Volition,
- and was conceived, forming His Humanity in that virginal womb,
in which His Supreme Will reigned as ruling King.

Do you see, then, how ***all Goods descend from my Supreme Will***,
and all evils enter the field when the creature withdraws from the Divine Will?

Had I not found a creature who had my Will as Life, and who placed Herself in relation with Me
- with those bonds of Creation wanted by Me,
I would not have wanted nor been able to descend from Heaven
- to take on human flesh in order to save man.

So, ***my Mama, was the beginning, the origin, the seed***
- of the 'Fiat Voluntas Tua on earth as it is in Heaven'.

Since one creature had destroyed it, it was just that another creature would rebuild it.
And ***my Humanity***, which never separated from my Divinity,
- upon this seed of my own Will which I found in my Divine Mother,
formed the great plan of the human will in the Divine Will.
