

The Celestial Mother helps Luisa to disarm the Divine Justice.

As I was in my usual state, I felt myself outside of myself and I found the Queen Mama.
As She saw me, She began to speak about Justice,
and how It is about to clash with all Its fury against the people.

She said many things about this, but I don't have the words to express them.

In the meantime I could see the whole of heaven
- filled with points of swords against the world.

Then She added:

"My daughter, you have disarmed divine Justice many times,
contenting yourself with receiving Its blows upon yourself.

Now that you see It at the summit of Its fury, do not lose heart, but be courageous.
With a heart full of holy Fortitude, enter into this Justice and disarm It.

Do not be afraid of the swords, of the fire, or of anything you may encounter
In order to obtain the intent,
if you see yourself wounded, beaten, burned, rejected, do not draw back.
But rather, let this be a spur for you to move on.

See, so that you may do this, I Myself have come to your help by bringing you a garment.
As your soul wears it, you will acquire courage and fortitude so as to fear nothing."

Having said this, from within Her mantle She pulled out a garment woven with gold,
streaked with various colors, and She clothed my soul.

Then She gave me Her Son, telling me:

"And now, as a pledge of my love, ***I place my dearest Son in your custody,
that you may keep Him, love Him and content Him in everything.***

Try to act in my stead, so that, as He finds all His contentment in you,
the discontent that all the others give Him may not cause Him too much pain."

Who can say how happy and strengthened I was,
- clothed with that Garment and
- with the loving Pledge in my arms?

Greater happiness I could certainly not desire.
