

Jesus does not want to let Luisa see the chastisements so as not to afflict her.

Continuing in my poor state, I felt there were people around my bed who wanted me to see the chastisements which were happening in the world – earthquakes, wars and many other things, which I could not understand well - to make me intercede with the Lord.

It seemed to me that they were Saints, but I cannot tell with certainty.

In the meantime, blessed Jesus came out from within my interior, and ***He said to them:***

“Do not molest her, do not afflict her by wanting to make her see sorrowful scenes.

Rather, let her be tranquil, and leave her alone with Me.” They went away, and I remained concerned – ‘who knows what is happening, that He does not even want me to see....’

Then, afterwards, I found myself outside of myself

“The Lord is very indignant, I believe they are not yet finished.”

And I: ‘Who knows whether we will be spared.’

He became enflamed, and it seemed that his heart was beating so strongly that I could feel it myself, and those heartbeats would reverberate in my heart.

I could not understand who he was, but I felt a certain something being communicated to me.

Then he added: “How can grave things happen, with destructions and dying of people, where there is a heart that loves for all?

At most, a few tremors might be felt, without considerable damage.”

On hearing ‘***a heart that loves for all***’, I felt as though I were being picked on.

And I myself cannot tell how ***I came out saying:***

“***What are you saying – a heart that loves for all?***

Not only that loves for all, but that repairs for all,

that suffers, that thanks, that praises, that adores, that respects the holy law for all.

Because I do not believe it is true love toward the Beloved,

- if one does not render Him the love and all the satisfaction which the others were supposed to render Him,

- in such a way that in that person,

He must find all the good and the contentment which He was to find in all.” (...)
