

Jesus is Light. And Light is Truth.

As I was in my usual state, blessed Jesus made Himself seen all Light.
He said these simple words:

“I am Light.

But what is light made of?
What is the principle of it?
It is Truth.

So, I am light because I am truth.

Therefore, in order for the soul
-to be light and
-to have light in all of her actions,
these must come ***from truth.***

Wherever there is artifice, deception and duplicity,
there cannot be light – but darkness.”

And He disappeared like a flash.
