

**The human will keeps poor man as though asleep. Each knowledge that regards my Divine Will is ... a cry that I send, to wake man up from the sleep of the human will."**

.... Our more than paternal goodness prepared many new surprises for Our beloved child, and Our Divine Will took on the commitment to be the revealer of them for him.

*As he withdrew from It (from the divine Will) Adam lost the revealer*, and this is why it is not known how much We loved him, and all that We did for him in creating him.

*Therefore, We feel the irresistible yearning that Our Fiat come to reign on earth as It does in Heaven*, so that, after so many years of silence and of secrets, It may give vent to Its flames and return to act as the revealer of Creation, because little is known of all that We did in creating man.

How many surprises It has to say, how many joys and happinesses to communicate!

Don't you yourself hear how many things It tells you

-about that which regards my Divine Will,

-as well as about the surprising love of the whole Creation

-and, in a special way, of the Creation of man?

*My Will is the book of Creation*, therefore Its reigning in the midst of creatures is necessary in order to know how to read it and to be able to read it.

*The human will keeps poor man as though asleep.*

He sleeps, and the sleep prevents him from feeling and seeing

-all the caresses and finesses of love that His Celestial Father gives him,

-as well as the surprises He wants to make known to him.

*His sleep prevents him*

*-from receiving the joys, the happiness, which His Creator wants to give him,*

*-and from comprehending the sublime state of his creation.*

Poor man, *asleep to true good, and deaf to listening to my Will*

-which is his revealer,

-his noble history, his origin, his marvelous height and beauty.

And if he is awake, he listens

-either to sin, to his passions, or

-to things which do not have an eternal origin.

He acts just like that sleeping child who, if he wakes up, cries, makes fusses and torments the poor father, who almost regrets having such a nervous child.

This is why my Divine Will is revealing so many of Its knowledges

- to wake man up from his long sleep,

so that, waking up in my Fiat, he may lose the sleep of the human will, he may

-reacquire what he lost, and

-may feel the kisses, the love, the loving squeezes to the bosom of His Creator.

*So, each knowledge that regards my Divine Will*

-is a call, it is a voice that I emit,

*-it is a cry that I send, to wake man up from the sleep of the human will."*
