

The Most Holy Trinity, inaccessible Light that gives Life to all.

I found myself outside of myself
And I saw the Heavens opened and a Light, inaccessible to any creature.
Rays descended from within this Light.
They invested all creatures : celestial, terrestrial and purging.

Some rays were so dazzling that, though remaining invested, enraptured and delighted,
one would not know how to describe anything of what they contained.
Other rays were less dazzling, and one could describe
the beauty, the happiness and the truths which they contained.

However, the power of the Light was such that I myself didn't know
whether my little mind would ever be capable of going back into myself again.
If my Jesus had not shaken me with His words,
no human force could have pulled me back from that Light, to call me back to life.

But, alas, I am still unworthy of my dear Celestial Fatherland!
My unworthiness forces me to wander in exile, but – oh, how hard this is for me!

Then Jesus told me:

"My daughter, let us go back together into your bed.
What you see is the Most Holy Trinity, as though holding all creatures in the palm of Its hand.
And as It gives life, preserves, purges and delights from Its mere breath,
there is no creature which does not hang upon It.

Its Light is inaccessible to created mind.
If anyone wanted to enter,
it would happen to him as to a person who wanted to enter into a great fire:
not having sufficient heat and power to face this fire, he would be consumed by the fire.

Therefore, being extinguished, he would never be able to say
either how much or what kind of heat that fire contained.

The rays are the divine virtues.

Some virtues are less adaptable to created mind.
This is why the created mind is delighted by them.
It can see them, but is unable to describe anything.

The other virtues, which are more adaptable to the human mind, can be described, but like a stutterer
would do, because no one can speak about them in a way which is right and worthy.
The virtues which are more adaptable to the human mind are
Love, Mercy, Goodness, Beauty, Justice, Science.

Therefore, together with Me, let us send our homages to the Most Holy Trinity in the name of all,
to thank It, praise It and bless It for so much goodness toward all creatures."

Then, after I prayed together with Jesus, I returned into myself.
