

Love for Jesus forms the transformation of the soul in Him.

Having received Communion I felt all transformed in blessed Jesus, and I said to myself:
'How can one maintain this transformation with Jesus?'

And in my interior it seemed that Jesus was saying:

“My daughter,
if you want to be always transformed in Me
- even more, to be one single thing with Me -
love Me always.

And you will maintain your transformation with Me.

In fact, love is fire, and whatever woods are thrown into the fire, small or big, green or dry, they all take the form of fire and convert into fire itself.

And after these woods have been burned, one can no longer discern which wood was one and which another, neither the green one nor the dry one

One can see nothing but fire.

The same when the soul never ceases to love Me.

Love is fire that transmutes the soul in God.

Love unites, its flames invest all of the human operations and give them the form of the divine operations.”
