

“My daughter, true Love is when It is sustained by Hope, and persevering Hope.  
Because if today I hope and tomorrow I do not, Love becomes infirm.  
In fact, since Love is nourished by Hope,  
-the more nourishment It administers to It,  
-the stronger, more robust and more lively Love becomes.

And if this is missing, poor Love becomes infirm first, and remaining alone, without support,  
It ends up dying completely.

Therefore, as great as your difficulties may be, you must never, even for one instant,  
move away from Hope with the fear of losing Me.

On the contrary, you must act in such a way that, overcoming everything,  
Hope may make you be found always united with Me,  
and then Love will have perennial life.”
