

How Jesus wants to end it with the world.

The power of what is done in the Divine Will in order to placate divine Justice.

As I was in my usual state, my adorable Jesus came all in a hurry, and throwing His arms around my neck, He clasped me so very tightly, *telling me*:

“My daughter, *I end it with the world - I can take no more.*

The offenses, the pains they give Me are too many

Therefore it is necessary that I destroy them.”

I trembled in hearing this, and I said to Him:

‘My Love and my Life, of course You suffer very much and can take no more,

-because You want to suffer alone.

But if You shared your pains with me, You would suffer less and would not reach the point of no longer being able to bear the poor creatures.

Therefore, let me take part in your pains, let us share them together.

You will see how You will be able to bear them still. Hurry, do not suffer alone any longer .

Try, O Jesus. You are right, You suffer very much, and this is why I pray You

- let us share them together. And placate Yourself.’

Then, after much insistence, my sweet Jesus let me suffer but those were the shadows of His pains.

And yet, I felt as though being destroyed, crushed.

But I am unable to say what I suffered, and besides, about certain things it is better to keep silent.

Then, as though tired of His long suffering, Jesus hid within me in order to find some relief.

And I felt myself being invested completely by Jesus.

I saw the eyes of Jesus everywhere within me.

He told me that those eyes were tired of looking at the earth, and He was looking for shelter.

The light of the eyes of Jesus fixed on various points of the earth.

And the evils committed in those places were so many that that light incited Him to destroy them.

I prayed Him to spare them, placing His Blood, His pains, His life, His eternal Will before Him.

And *Jesus, all goodness, told me*:

“My daughter, *the power of the prayers, of the acts, of the pains suffered in my Will is unreachable.*

While you were praying and suffering,

-my Blood, my Steps, my Works were praying,

-my Pains were being multiplied and repeated.

So, *all that is done in It gives Me the occasion to repeat again what I did while being on earth.*

And this is the greatest act in order to placate divine Justice.”....

“My daughter, my Humanity hides within you.

And I give place and large field to my Divine Will

-to let It operate freely, and to let It form its Kingdom.

...

And you, wandering away within Its acts, lose sight of Me, while I am waiting for you to follow all the acts of my Divine Will to then pull the thread behind you.

Before, you would not follow all of Its acts. You would follow the small circle of the acts of my Humanity, which is small in comparison to the acts of my Divine Volition

And this is why each act and pain of yours would make you encounter your Jesus. And I was all intent on making you copy my Humanity. ...
