

Day Ten

My birth was the true dawn that puts to flight the night of the human will

Lesson of the Newborn Queen:

Child of my Heart, my birth was prodigious
No other birth can be said to be similar to mine.
I enclosed within Myself the Heaven, the Sun of the Divine Will, and also the earth of my
humanity - but a blessed and holy earth, which enclosed the most beautiful flowerings.

And even though I was just newly born, I enclosed the prodigy of the greatest prodigies:
the Divine Will reigning in Me, which enclosed in Me
-a Heaven more beautiful,
-a Sun more refulgent than those of Creation, of which I was also Queen,
-as well as a sea of graces without boundaries, which constantly murmured:
"Love, love to my Creator."

Therefore, my birth was the true dawn that puts to flight the night of the human will
And as I kept growing, I formed the daybreak and called for the brightest daylight,
to make the Sun of the Eternal Word rise over the earth.

My child, come into my cradle to listen to your tiny little Mama.
As soon as I was born, I opened my eyes to see this low world,
to go in search of all my children in order
-to enclose them in my Heart,
-give them my maternal love and,
regenerating them to the new life of love and of grace,
-give them the step to let them enter into the Kingdom of the Divine Fiat,
of which I was the possessor.

I wanted to act as Queen and as Mother, enclosing everyone in my Heart,
-to place everyone in safety, and
-give them the great gift of the Divine Kingdom.

In my Heart I had a place for everyone, because for one who possesses the Divine Will
there are no constraints, but infinite expanses.

Therefore I looked also at you, my child - no one escaped Me.
And since on that day everyone celebrated my birth, it was also feast for Me.
But upon opening my eyes to the light, I had the sorrow
of seeing the creatures in the thick night of the human will.

Oh! in what an abyss of darkness the creature who lets herself be dominated by her will
finds herself enwrapped. It is the true night - but a night with no stars

At most, a few fleeting lightnings, which are easily followed by thunders which, in roaring,
-thicken the darkness even more, and
-unload the storm over the poor creature
- storms of fear, of weaknesses, of dangers, of falling into evil.

My little Heart remained pierced in seeing my children in this horrible storm,
in which the night of the human will had overwhelmed them.

Now listen to your little Mama: I am still in the cradle, I am little.
Look at my tears that I shed for you.
Every time you do your will, it is a night that you form for yourself.
And if you knew how much this night harms you, you would cry with Me.

It makes you lose the light of the day of the Holy Will,
-it turns you upside down,
-it paralyzes you to good,
-it breaks true love in you,
and you remain like a poor ill one, who lacks the necessary things to get well

Ah! my child, dear child, listen to Me: never do your will.
Give Me your word that you will make your tiny little Mama content.

Little Exercise:

Today, to honor Me, you will come three times to visit Me in my cradle,
saying to Me each time:
“Celestial little Baby, make me be reborn together with You in the life of the Divine Will.”
