

The Second Step of the Divine Will in the Queen of Heaven.

The First Smile of the Sacrosanct Trinity over Her Immaculate Conception.

The Queen of Heaven in the Kingdom of the Divine Will. - Day Two -

As soon as the Divine Fiat poured Itself over my human seed in order to prevent the sad effects of sin, the Divinity smiled, It put Itself in feast in seeing, in my seed, that human seed, pure and holy, just as it came out of Their creative hands in the creation of man.

So, the Divine Fiat took the second step in Me, by carrying this human seed of mine, purified and sanctified by It, before the Divinity, that It might pour out in torrents upon my littleness in the act of being conceived.

And the Divinity, recognizing in Me Their creative work, beautiful and pure, smiled with satisfaction, and wanting to celebrate Me,

-the Celestial Father poured upon Me seas of power,

-the Son, seas of wisdom,

-the Holy Spirit, seas of love.

So I was conceived in the interminable Light of the Divine Will.

And in the midst of these divine seas, as my littleness could not contain them,

I formed gigantic waves, to send them back as homage of love and glory

- to the Father, to the Son, and to the Holy Spirit.

And the Trinity was all eyes upon Me.

And so as not to be surpassed by Me in love, smiling at Me and caressing Me, sent Me more seas, which embellished Me so much, that as soon as my little humanity was formed,

I acquired the enrapturing virtue of enrapturing my Creator.

And He truly let Himself be enraptured.

So much so, that between Me and God it was always feast.

We denied nothing to each other - I never denied anything to Them, nor did They.

But do you know who animated Me with this enrapturing power?

The Divine Will, which reigned in Me as life.

The power of the Supreme Being was mine.

And therefore We had equal power to enrapture each other.
