

**The Birth of the Virgin was the rebirth of all humanity.
And all Creation felt reborn in the birth of the Queen of Heaven**

I was thinking about the Birth of my Celestial Mama, to give Her my poor homages.
And I was calling all Creation together with me to sing the praises of the Sovereign Queen.

My sweet Jesus told me:

“My daughter, I too, together with you and with all Creation, want to sing the praises
- of the birth, - of the Height of my Mama.

You must know that

***-this birth enclosed within itself the rebirth of the whole human family, and
-all Creation felt reborn in the birth of the Queen of Heaven.***

Everything exulted with gladness they felt happy to have their Queen.
Up to that moment, they had felt like a people without its Queen, and in their muteness
they were waiting for that happy day in order to break their silence, and say:

*‘Glory, love, honor to She who comes into our midst as our Queen.
We shall no longer be without defense, without anyone who dominates us, without feast,
because She has arisen, who forms our everlasting glory.’*

This Celestial Baby Girl, by keeping Our Divine Will intact within Her soul,

- without ever doing her own,

reacquired

***- all the rights of Adam innocent before Her Creator, and
- the Sovereignty over all Creation.***

Therefore, all felt themselves being reborn in Her.
And We saw in this Holy Virgin, in Her little Heart, all the seeds of the human generations.

So, through Her, humanity reacquired the rights lost
And this is why Her birth was the most beautiful, the most glorious birth.

From Her very birth, She enclosed within Her maternal little Heart,
-as though in-between two wings,
all generations, as children reborn in Her virginal Heart, so
- as to warm them, keep them sheltered, and raise them and nourish them with the blood of
Her maternal Heart.

This is the reason why this tender Celestial Mother loves creatures so much. Because
-all are reborn in Her, and

-She feels the life of Her children within Her Heart.

What can Our Divine Will not do wherever It reigns and has Its Life?

It encloses everything and everyone, and makes one the provider of good to all.

So, all feel, under Her blue mantle, the maternal wing of their Celestial Mother.
And they find in Her maternal Heart their little place in which to take cover.

“Now, my daughter, one who lives in my Divine Will renews her rebirth and redoubles the
rebirths for all human generations.
